### DISCLAIMER

Apollo Development will only perform and provide computer services, repairs, and upgrades as requested by the Client. Apollo Development will conduct honest, reasonable, and considerate services. The goal is to provide the highest quality of service and support, but specific results cannot be guaranteed.

Computer service/repairs are provided as a service. There may be circumstances under which Client's computer cannot be repaired. It will have to be replaced, rebuilt, or upgraded. (Examples: Age of PC, repair/replacement parts obsolete (memory, motherboard, etc.))

The length of time required to service/repair your computer cannot be predicted.

Client understands that in the process of working on your computer equipment, there is a potential for data loss. You agree that you have made the necessary backups of your data so that, in the event of such loss, the data can be restored. Apollo Development will not be responsible for data loss.

Client authorizes the technician(s) providing the service or repair to install anti-virus and any other necessary software on your computer to perform required services. All software will be deleted / uninstalled upon completion of the service (unless purchased).

All remote repair services are subject to the terms in this agreement.
